ABOUT ME

My name is **Sonja Irani**. Based in Bremen, Germany, I'm a full-time **Freelance Translator for Tourism Marketing, Travel Journalist and Blogger**, on a part-time mission to discover the world through movies.

ABOUT THE BLOG

FilmFanTravel.com is a Niche Travel Blog that helps **budget-conscious film fans** to plan their next film-inspired travel adventure.

On the blog, I provide both **film reviews** for contemporary films from 2000 onwards as well as helpful tips for places to visit and things to do in my **destination travel posts**.

All travel content on my blog is based on my own travels and always inspired by a **film location or film setting** of one or more well-known films.
